Re: **Britt Storkson**

The Board reviewed Six Rivers Community Mediation Services offer to assist the parties in addressing Britt Storkson's objection to the Co-op's powerline relocation and extension policy. The Cooperative is an Oregon corporation owned by the members it serves, governed by Articles of Incorporation, Bylaws and Board policies. The application and interpretation of Board policies in relation to member requests is reserved to the Board of Directors.

The Board authorized me to work directly with Britt to review and resolve his complaint. In the event he is not satisfied with my decision, he can appeal to the Board of Directors.

By copy of this letter, I am advising Britt Storkson of the Cooperative's response to your letter dated February 6, 2003.

Yours very truly,

Cathy Wilson
Manager, WEC
